Circular Update, September 30, 2022

Call for Abstracts

The Call for Abstracts for oral and poster presentations is now open. The symposium will address “Transdisciplinary studies on a rapidly changing Arctic toward a sustainable society.” Symposium organizers invite you to submit abstracts to one of the Sessions.

For Session information, please see;

https://www.jcar.org/isar-7/abstract/session_information.html

The Regular Sessions are single-disciplinary sessions, and the Special Sessions are inter-/multi-disciplinary sessions.

- Abstracts should be submitted via the symposium website. The abstract submission fee is JPY 5,000. Please note that the abstract submission fee is non-refundable under any circumstances.
- Please use the abstract template downloaded from the website.
<https://www.jcar.org/isar-7/abstract/>
- Your abstract will be uploaded to the ISAR-7 website, and the title and authors will be published in the program.
- If it is difficult to find an appropriate session for your abstract, choose a regular session, closest to your subject.
- The Symposium Organizing Committee (SOC) encourages poster presentations. The best early career scientist poster will be presented with the “Young Scientist Best Poster Award.”
- Deadline: Abstracts will no longer be accepted after October 31, 2022.
- Abstract submission is not a registration, and all participants requires Symposium Registration, besides abstract submission.

Registration

Registration will start in early October 2022 on the ISAR-7 website.

Registration fees	Early-bird (By December 19, 2022)	Late (December 20-February 6, 2023)
Regular	JPY 20,000	JPY 30,000
