System Requirements

We have confirmed that the following browsers work properly.

- Google Chrome latest version
- Mozilla Firefox latest version
- Microsoft Edge latest version
- Safari latest version

Even in a recommended environment, the site may not work properly depending on your browser settings.

3. Select the uploaded data

- Your "Presentation Number", "Name", and "Title" will be displayed on the screen.
- Drop the file in the "Drag & drop some files here" area.
- Click on "Select Files" to select files from your PC.

NOTE:

File format : jpeg, jpg, png

Recommended file size : 4:3

File size limit : 10 MB / 1 file

PDF data requires images to be converted to the above file formats.

Uploading Presentation Files (Image)

Please check the presentation title and upload the files. The presentation title may differ from the program information.

Presentation No.	DEMO11-7
Name	atlas test
Title	test(e-poster)

File upload

After upload, image files will be protected from being printed, downloaded, and copied for security reasons.

⚠ Notice

After uploading, please be sure to play the images yourself to make sure that the uploaded images are correct. The images can not be deleted. Once uploaded, it cannot be returned to the unregistered state. To replace the file, re-upload a revised version of the file.

Files

Please upload the image files. You may upload more than one image file at a time.
